Penny- evidently Hadco (or TM Crushing) does not get their mail without the PO box in the address. would you please make note of this on foxpro so that future mailings get to them - I emailed them their deficiency letter, so I don't think we need to send it again. They will eventually get the one we sent.

Our mailing address is PO Box 437, Lehi, UT 84043. This explains why we haven't received any mail from you yet. Please update this in our file.
